**Drop Table**by *Living Divani*
Junya Ishigami

Dining and coffee table characterized by fluid lines and pure design applied to a sophisticated technology. An extraordinary magnified optic effect, for a harmonious and functional object, means everyday luxury based on quality and aesthetic as the essence of life. ...

**Comb Bookcase**by *Varaschin*
Christoph Radl

Varaschin is continuing the method started with last year's collections: different items that merge outdoor and indoor furniture; a crossover that widens the range in our catalogue and enhances it with new ideas, new materials and types of decor to complete our offer. Besides new items, Varaschin have developed the families presented at the previous Salone del Mobile: chairs, lounge a...

**Ambar vase**by *Corsi*
Fernando Campana, Humberto Campana

For the "Nativo Collection" Campana brothers have used unusual mixtures of resins, leather and natural fibers. The juxtapositions of materials enhance the three-dimensional effect of the ornament. Fuorisalone 2010
